Dear 2-Purple Parents,

Thank you for coming today! While you are waiting, please take a look at our state reports! All of the students in 2-Purple worked very hard on their state reports, and did a fantastic job doing research, and putting together their books! I am very proud of them! These books represent about a month of hard work.

If your child's book is not hanging up for display, that is because he or she has not finished! Two students still have not completed their books, although the rest of the class finished a couple of weeks ago.

I hope you enjoy reading through their reports!

Sincerely,
Ms. Robinson
