

How to Make an Ice Cream Sundae

1. Trace the bowl. Color it blue.
2. Cut out the bowl.
3. Trace the ice cream scoop. Color it green.
4. Cut out the ice cream scoop.
5. Trace the hot fudge. Color it brown.
6. Cut out the hot fudge.
7. Trace the whipped cream. Color it white.
8. Trace a cherry. Color it red.
9. Cut out the cherry.
10. Glue the bowl to a piece of paper.
11. Glue the ice cream into the bowl.
12. Glue the hot fudge onto the bowl.
13. Glue the whipped cream onto the fudge.
14. Glue the cherry on top.

Now you are done! Show your partner your work, clean up your mess, and take another project.

This is an instruction sheet from the "following directions" reading center that I created for my first grade classroom. It was very popular with my students, and provided practice with reading skills in the context of a fun activity.
