it started to play. Then my
friend came over to my
house, and I was dancing and
she came to my room, and I said

"and she said yes, so we started to
dance, and then I changed my

to color in my notbook and with my

I said okay let me go get my
notbook and my markers, and
then I went to get it so I

the notbook and my markers,

we got tired and
we stopped.

in the street and there
was a tree in the
