Ellis Island Diary

Dear Diary,

When I went through I was really  
scared I was nervous, I felt tired  
and very sleepy. ~~My~~ my character  
felt all those motion he was not  
feeling good because he had  
~~sea~~ sea sick when I had  
to sit with people I don't know.  
It was scary I had to be checked  
and I was scared when I entered  
America in Ellis Island. It was  
crowded and creepy because you did  
not know any body in the simulation.  
I was very happy coming to  
America and seeing my grand parents.  
I was really sick when I sat  
on the boat I had to throw  
up and my shirt was <sup>viper</sup> ~~viper~~  
I was very poor statino Billini
