

Dear class

I am sad to say I am moving from the pond to NY

I am moving in a apartment to live in I am worried

that I won't have water, rocks, fish. I am also

worried that other animals in my new home.

I hope that this is

the right place for

me. how would I

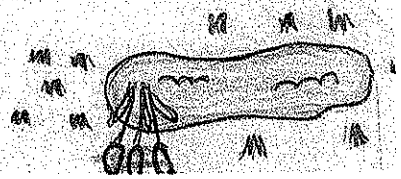

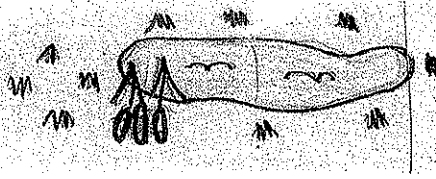

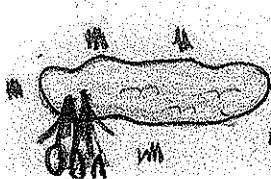

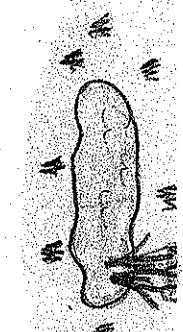

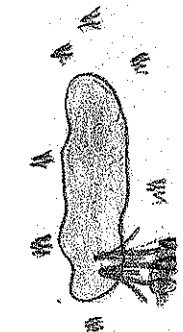

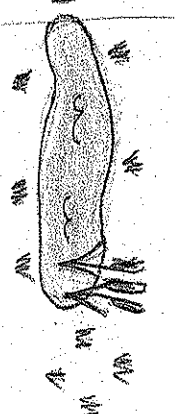

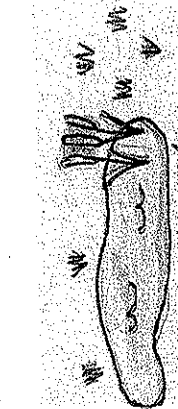

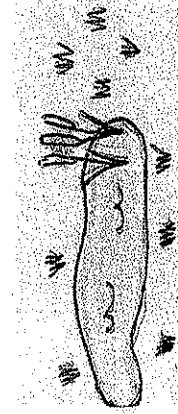

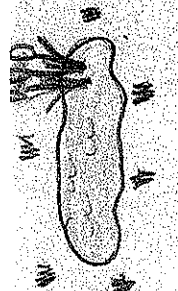

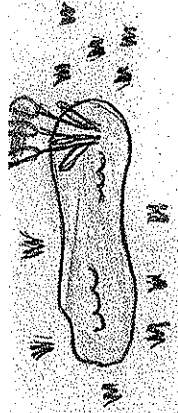

know if I don't

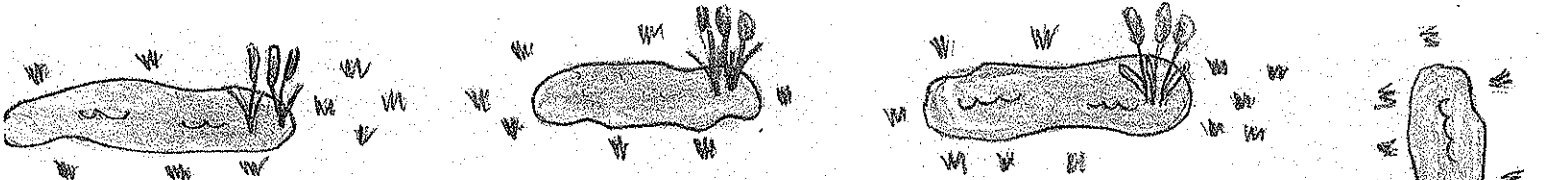

go and see and it

might not have rocks

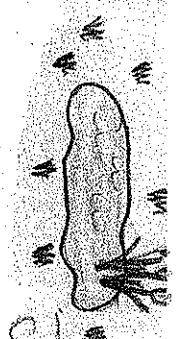

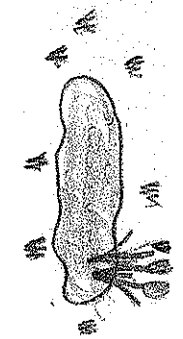

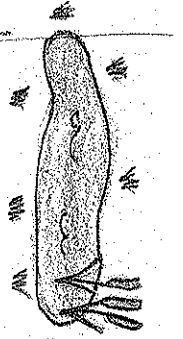

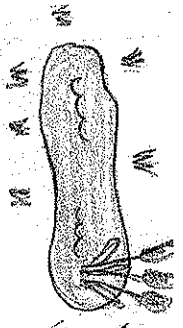

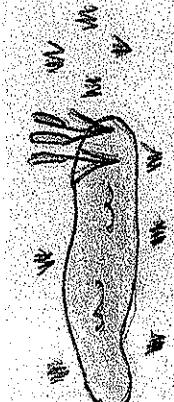

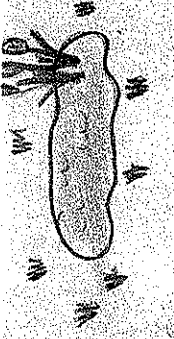

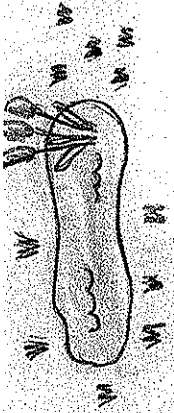

on the side on the

streets and see weed

for lunch dinner some
 people might have them
 other pets and they
 might hunt me might
 be very dangerous.
 I hope it is not
 cuz I am only
 3.5cm 3 inches I will
 have fun

Love ms. crayfish
